ABOUT THE COMPOSER

Music by Larry Clark (b. 1963) is some of the most popular and most performed by concert bands and string orchestras of all ability levels. Larry is equally adept at writing music for beginners as he is for high school and college ensembles. His music is tuneful, contains a fresh harmonic perspective, is well scored and stretches the musicianship of the performers. He prides himself on producing music that is not only intriguing to performers and audiences alike but that contains a playability that comes from a keen understanding of the technical difficulties inherent in all instruments. His pieces have been performed internationally and appear on numerous contest/festival performance required music lists. He is an ASCAP award-winning composer, has over 300 publications in print and is in demand to write commissions for bands and orchestras across the country.

In addition to his abilities as a composer, Larry is the founder and President of Excelcia Music Publishing. His new company will focus on educational music for band, choral and orchestra along with related methods and books. Prior to Larry starting his own publishing company, he served for over eighteen years as Vice President, Editor-in-Chief for Carl Fischer Music, and before that, as Instrumental Music Editor for Warner Bros. Publications. Larry travels the world presenting clinics/workshops and guest conducting appearances. His background as a former middle school director and Director of Bands at Syracuse University, combined with his composing and editing, have placed Larry at the forefront of music for school ensembles. He holds a Bachelor's Degree in Music Education from Florida State University and Masters Degrees in Conducting and Composition from James Madison University in Virginia. CHRISTMAS CAROL-OKE A FESTIVE MEDLEY WITH OPTIONAL SING-ALONG

There is nothing more fun around the holidays than to sing Christmas carols in a large group. What better way to spruce up your holiday concert than to have your audience participate in the concert with a good old fashioned sing-along. This arrangement contains eight popular carols – *O Christmas Tree*, *Jingle Bells*, *Deck the Halls*, *Jolly Old St. Nicholas*, *Angels We Have Heard on High*, *Silent Night*, *Up on the Housetop*, and *We Wish You a Merry Christmas*.

The setting can be performed with band alone, but it sure would be so much more fun and festive to have your audience participate. A handy lyric is included in the score with permission to photocopy for use by your audience. In order to be more environmentally friendly, there is also an online version the audience can use on their cell phones. Use the QR or the link below to send your audience members to this online version of the lyric sheet.

When performing this arrangement with the audience singing along, I recommend that you turn around and give a cue to the audience members where the melody for each carol begins. This is indicated in the score where the title for each carol is written above the Flute and Trumpet parts.

The most important thing is to have as much fun as you can bringing good tidings to all!

It has been my pleasure to have the opportunity to write this piece. I hope you and your students enjoy it and find it useful for your program.
